## Berlin Discord Rages In U. N.

### Small Powers Ask Russia To Lift Blockade

Paris, Oct. 7—(AP)—Small non-Soviet members of the United Nations Security Council tonight were reported preparing a demand that Russia lift the Berlin blockade.

Authoritative sources said one of the small countries on the 11-nation body would introduce, probably next week, a resolution to carry out American-British-French demands to end the blockade. Under the resolution being drafted, the council then would call for a meeting of the four-power council of foreign ministers on the whole German question.

The east-west struggle continued unabated on two other issues—atomic energy and arms reduction—with Russia clashing with the west again in the assembly's political committee.

### Soviets Demand Arms Cut

Soviet Deputy Foreign Minister Andrei Y. Vishinsky accused the western powers of blocking world disarmament for the last 20 years and demanded that the Big Four cut their forces by one-third immediately.

Hector McNeill, British minister of state, said the Soviet plan was not "realistic" and not calculated to create the confidence necessary for disarmament. As for the present Russian government, McNeill said: "Everyone who dates to disagree with them is a dirty warmonger who is waiting to attack us."

### Sidetrack Atomic Issue

Vishinsky pressed his arms-slashing plan after the political committee voted to send the ticklish atomic energy question to a subcommittee. Under this action the United States, China, Britain, Russia, Canada, Sweden, Brazil, Ecuador, the Soviet Union and India were directed to try to reach agreement on a resolution for submission back to the full 58-nation committee. Some delegates predicted the resulting resolution would order the U.N. atomic energy commission—now stalemated—back to work.

Vishinsky said nothing about Berlin today. Yesterday he sat mute through two Security Council meetings on the subject, refusing to take part in the discussion on the contention that it was illegal for the council to be debating the problem. Vishinsky went silent after Russia was voted down 9 to 2 in efforts to throw out the case.

## U.S. Says Hungary Falsely Arrested Two Americans

Washington, Oct. 7—(AP)—The United States today accused Communist Hungary of arresting two American oil men on false charges of sabotage and forcing bogus "confessions" from them.

A state department statement described the seizure and treatment of the two as "characteristic of the methods employed by police states where the rights and dignity of the individual are in practice ignored."

The statement said the two, Paul Ruedemann of Hartsdale, N.Y., and George Bannantine of St. Louis, were held in solitary confinement four days, questioned continuously and compelled to sign "confessions" which were in effect prepared by Hungarian police.

Ruedemann and Bannantine were officials of a Hungarian affiliate of the Standard Oil Co. of New Jersey. They were arrested Sept. 18 on charges of sabotaging oil production but released eight days later after vigorous state department protests.

They were expelled from Hungary and the oil plant was seized by the Hungarian government.

## Baptist Minister Gives Boy Portion Of Bone From Hip

Philadelphia, Oct. 7—(AP)—Thanks to a Baptist pastor, four-year-old Anthony Iron has a chance to go through life with a whole left arm instead of none at all.

Anthony, who lives in Pensauken, N.J., was admitted to St. Luke's hospital three weeks ago. Physicians said the bone in his left arm had been partially destroyed by a tuberculosis cyst.

The only hope was to graft new bone. The problem was where to get it.

Anthony's family advertised for a bone donor.

The Rev. Edward C. Earle, 35, of Pensauken, himself the father of a five-year-old girl, responded.

Today three inches of bone were taken from Mr. Earle's hip and transferred to Anthony's arm.

## ARGENTINE CONFIDENT IN BERLIN CRISIS

Paris, Oct. 7—(AP)—Argentine sources said tonight they are confident the Berlin crisis soon will be solved through the efforts of representatives of the six neutral nations on the Security Council.

This group includes Argentine Foreign Minister Juan Atilio Bramuglia, who is acting as president of the council during the Berlin discussions.

Argentine sources said Bramuglia may confer with Soviet Deputy Foreign Minister Andrei Vishinsky tomorrow in an effort to find a basis for negotiations.

## Rail Wage Dispute Is Before Truman For Settlement

Chicago, Oct. 7—(AP)—The problem of settling the wage and hour demands of 1,000,000 non-operating railroad workers was before President Truman today.

Attempts of the National (Railway) Mediation Board to find a solution collapsed late yesterday.

President Truman will name an emergency fact-finding board in the next few days to study the dispute and make recommendations.

If either side balks at the emergency board's report, the 16 unions involved would be legally free to strike—60 days from that date.

Intervention by a Presidential Emergency Board is the last peace step provided by the Railway Labor Act. However, the government went beyond that act last May 10 and obtained a court order preventing a threatened walkout by three operating unions representing engineers, firemen and switchmen.

The question of the validity of that injunction, issued under a World War I law, is now pending before the U.S. Supreme Court.

The Mediation Board's efforts collapsed when the unions rejected a recommendation for arbitration. Direct negotiations between the railroads and unions ended in failure Sept. 17. The unions are taking a strike ballot, with strike sentiment reported running about 93 per cent.

## State To Present Data Concerning Peoria Gambling

Chicago, Oct. 7—(AP)—The state will take before a Peoria county grand jury next week evidence concerning alleged conditions of gambling, vice and corruption in that county, Attorney General George F. Barrett said today.

The grand jury is to reconvene Monday.

In announcing the move, Barrett said: "When we began this special investigation at the request of citizens of Peoria, State's Attorney Roy Hull of Peoria county offered me his full and complete cooperation. We are now ready to avail ourselves of that offer, and to proceed before the grand jury."

"In his investigation and interrogations of the past weeks, Mr. Hull (James A. Hull, Barrett's special assistant) has talked with scores of Peoria citizens. We shall call before the grand jury every person who knows, or who has pretended to know, anything pertinent to the alleged conditions of gambling, vice, crime and corruption."

"Our objective, before the grand jury is the same as has been since we began our work. We are seeking nothing more or less than the complete truth about conditions in Peoria county. Our investigation will continue to be objective thorough, complete and nonpartisan."

## Truman Makes Bid In East

Jersey City, N. J., Oct. 7—(AP)—President Truman said tonight it is the "sacred duty" of American voters to prevent a "return to reactionary government" in the United States and a resulting world "tragedy."

Mr. Truman said, too, that the people ought to vote Democratic if they want a higher minimum wage, bigger social security benefits, a fair deal for labor and a government that "puts people ahead of property."

The president spoke from an outline at a political rally in Lincoln high school. Presidential Secretary Charles G. Ross gave reporters excerpts from his notes in advance.

The speech here was the last big address of a day of campaigning through industrial cities of eastern Pennsylvania and northern New Jersey.

Tomorrow he invades upstate New York starting in with an early morning speech in Albany, the base of operations of Republican nominee Thomas E. Dewey.

Here tonight Mr. Truman hammered on domestic issues in the campaign—prices, a minimum wage, labor laws. But he also linked conditions in this country to hopes for world peace. "World peace," he said, "comes ahead of everything else. But we can make our full contribution to peace only if we maintain a strong and vigorous democracy at home."

"To do that we must fight for the great causes in which we so deeply believe—for equal treatment and equal opportunity for all our peoples. A return to reactionary government in the United States would be a tragedy not only for this country but also for the whole world."

He pictured the Democrats as the party that took action in a depression. The Republicans, he said, "just sat and waited for prosperity to come around the corner."

The Democrats, he said, always have been the friend of labor. The Republicans, he said, always have shown favoritism toward big business.

DEWEY WELCOMES TRUMAN  
Albany, N. Y., Oct. 7—(AP)—Governor Dewey left town today and will not be here when President Truman visits Albany tomorrow.

But before the Republican presidential nominee departed for his farm at Pawling he issued a statement wishing his opponent "a very warm welcome." Mr. Truman will give a train-side talk in this Democratic stronghold at 7:30 a.m. (CST) tomorrow.

Dewey will stay at the farm tonight, go to New York in the morning and return here tomorrow night. In New York he will take part in a ground-breaking ceremony starting a housing project to be named for the late Gov. Alfred E. Smith.

Dewey is preparing a speech on his labor views for presentation in Pittsburgh Monday.

JAMES MITCHELL APPOINTED TO CIVIL SERVICE COMMISSION  
Washington, Oct. 7—(AP)—The White House announced today that President Truman has given a recess appointment to James M. Mitchell of Illinois as a member of the Civil Service Commission.

Mitchell's appointment, which must be submitted to the Senate for confirmation at the next session, is to the place vacated by the resignation of Arthur S. Flemming.

San Francisco, Oct. 7—(AP)—Milton Van Nola came down today from the 50-foot flagpole where he had sat in a hofse saddle for 70 days, 23 hours and 33 minutes. He claimed a world record.

## Accuse Former CIO Head Of Attempt To Kill Reuther

Pontiac, Mich., Oct. 7—(AP)—Police, trailing for months the shotgun-wielder who tried to assassinate Walter P. Reuther, said today a warrant will be asked Friday accusing a former minor official of the big CIO United Auto Workers.

He is Carl Bolton, 39, a former vice president of the UAW-CIO's Local 400 at the Highland Park plant of the Ford Motor Co. Bolton was defeated for reelection nearly two years ago.

Reuther, red-haired president of the UAW-CIO, was shot down in his home the night of April 20. No motive for the attempt to kill him ever was established.

UAW-CIO headquarters said Bolton never was regarded as an active foe of Reuther in union politics.

Prosecutor James N. McNally of Wayne county (Detroit), said he would go into recorder's court in Detroit Friday to ask a warrant. It will charge Bolton with assault with intent to kill Reuther, he said.

In Detroit, Bolton's lawyer, Joseph Louisell, said, "any warrant or charge against Bolton in connection with the Reuther shooting is certainly a surprise to me and I know nothing about it as yet."

Two unidentified persons, named only as "John Does," will be included in the warrant, the prosecutor said. McNally gave credit for progress in the case to two Michigan State police officers. They are Lt. Joseph Sheridan and Detective Sgt. James Van Landeged.

Wisconsin Scribe Defies State Law, Names Rape Victim  
Madison, Wis., Oct. 7—(AP)—Charges that a Madison newspaper publisher had violated state law by identifying a rape victim were dismissed today.

William T. Evjue, publisher of the Madison Capital Times had been accused of violating a state law which forbids the publication of the identity of a female who may have been raped.

Superior Judge Roy Proctor ruled that the evidence was insufficient and ordered the complaint dismissed. Proctor heard the case without a jury.

Dist. Atty. Edwin M. Wilkie asked that Evjue's bond be continued pending an appeal to the State Supreme Court.

Wilkie had charged that Evjue violated the statute when his newspaper carried the name of a woman who was attacked when Carl L. Carlson of superior, a University of Wisconsin student, was killed by Buford Sennett and Robert Winslow last Nov. 14.

Sennett and Winslow are serving life terms in the State Prison at Waupun.

Barkley Endorses James E. Murray In Montana Talk  
Lewistown, Mont., Oct. 7—(AP)—Sen. Alben W. Barkley of Kentucky today urged Montana voters to return James E. Murray (D) to the U. S. Senate.

In his first Montana speech, the Democratic vice presidential nominee assailed the Republican farm power record. He said the farmers of America cannot rely on the GOP.

The Democratic party, Barkley said, believes full development of the west with federal aid will bring in new industries to the advantage of the entire nation. Adequate soil conservation, reclamation, price supports and farm electrification programs are essential, he declared.

The Republican controlled 80th Congress, Barkley said, tried to cripple the big farm programs developed by Democratic administrations "and there is no guarantee that they won't cut appropriations again if they are continued in power."

## Soviets Bomb German Area

30 YACHTS WRECKED IN CHICAGO STORM

Chicago, Oct. 7—(AP)—At least thirty sailing yachts and cabin cruisers were wrecked today by a windstorm which struck the Lake Michigan shore near the downtown area. Coast guard headquarters estimated damage to the craft at \$60,000.

Most of the damaged boats were moored in Grant Park harbor. The windstorm, which reached velocities of over 40 miles an hour, caused more damage locally than any previous storm on record, coast guard headquarters said.

Union Leaders Urge Election Of Paul H. Douglas

Chicago, Oct. 7—(AP)—Leaders of CIO, AFL and Independent Unions today joined in urging election of Democrat Paul H. Douglas over Republican C. Wayland Brooks for U.S. Senator Nov. 2.

Douglas campaign headquarters said Douglas now has been endorsed by labor groups representing 2,000,000 Illinois Workers and that 75 per cent of them are eligible to vote. This percentage is 50 per cent higher than in any previous election, it said.

Victor Olander, secretary of the Illinois Federation of Labor (AFL), said "all barriers are down between the CIO and the AFL on this question. We are firmly for election of Douglas and against Brooks."

Brooks voted for the Taft-Hartley labor law, which Douglas says should be repealed.

Maurice McElligott, state CIO secretary, endorsed Olander's statement at a luncheon meeting of the labor leaders today. Also attending were representatives of the independent machinists and some railroad Brotherhoods.

'Satira' Schmidt Leaves Havana Prison Free Woman

Havana, Cuba, Oct. 7—(AP)—Patricia Schmidt, the Toledo dancer who killed her married lover aboard his yacht in Havana harbor, left prison a free woman today under a presidential pardon.

"It's wonderful, it's wonderful to be free again," she said as she walked into the sunlight outside Guanabacoa woman's prison.

She announced she was departing at 9 a.m. tomorrow for plane for Toledo, flying by way of New Orleans, to visit her father, John Schmidt.

She is spending the night in the home of some American friends here in Havana.

The dancer pleaded self-defense in the fatal shooting April 1947 of John Lester Mee, 33-year-old Chicago lawyer. The shooting took place aboard his yacht, Satira, named for her. She was sentenced to 15 years imprisonment and payment of a \$5,000 indemnity to Mee's widow on Dec. 22, 1947. The indemnity never has been paid.

Douglas Asserts GOP 'Booby Trap' Will Hit Farmers

Taylorville, Ill., Oct. 7—(AP)—Paul H. Douglas said tonight that a Republican-made "Booby-trap" is beginning to explode in the face of American farmers as they harvest their bumper crops.

The Democratic nominee for Senator said farmers lack enough bin storage for "a larger harvest of grain because of a joke which the Republicans inserted in the Commodity Credit Corporation charter during the last session of Congress."

Storage space provided by the CCC has been cut from 300,000,000 bushels to 50,000,000 as a result, he said. Farmers all over Illinois, he declared, "therefore are being forced to dump their crops on the market at prices sharply below the support level."

Douglas concluded in a campaign speech for delivery at Taylorville that "the only persons who stand to gain from the farmer's losses are the grain speculators who had their plant tools in Congress insert the joker in the charter."

Illinois farmers, he said "are already talking about one dollar corn. They see it in sight."

## Russ Warns Of Extensive Maneuvers

Berlin, Oct. 7—(AP)—The Russians announced large-scale maneuvers in the Berlin air corridor today and the British reported the Russians dropped live bombs 12 miles northwest of Berlin.

British Royal Airforce bombers dropped live bombs on the North Sea Island of Heligoland in the RAF's most realistic war exercises since spring. About 50 planes attacked Hitler's one-time U-boat base.

The Russians warned that they planned extensive gunnery and parachute jumping as well as formation flying in the Berlin area. United States air officers said the increasingly-frequent Soviet warnings of air activity are intended to harass the allied airlift.

U. S. Protests To Russia  
The Americans made the usual protests to the Russians.

Actually there were only two reports of the Russians carrying out their activity. One American pilot said he nearly collided with one of three Russian transport planes as he approached for a landing in the British sector. A British pilot reported that he saw a Soviet bomber drop explosives in the Soviet zone near Berlin.

Asked what he thought about the Soviet tactics, Gen. Lucius D. Clay grinned and said: "who is being harassed?"

The American governor then said Berliners fed by the airlift may get an increased food ration this winter.

Clay Optimistic  
In his most optimistic declaration about the airlift, Clay told a News conference the western allies plan to grant a "small increase" soon. He added that if the present good weather continues, every German will have some coal too.

Clay also said the west has an "economic counter blockade" under way as a retort to the Russian move. He said he "hopes it has had an effect."

Today's airlift figures were 4,203 tons of supplies unloaded in Berlin by 40 flights.

An official eastern zone spokesman indicated that the communists of eastern Germany are preparing for eventual civil war by arming 400,000 police in the Russian occupation zone. The spokesman claimed the measures were necessary to protect the Soviet zone against the "alarming preparations for civil war being made in western Germany."

Indonesian Air Force, One Plane, Listed As Missing

Manila, Oct. 7—(AP)—The Indonesian air force was officially listed as missing today.

The "force" was Bobby Freeberg, tall, raw-boned American who for more than a year had flown through the Dutch blockade in his beat-up old C-47 transport.

A brief announcement from Batavia said his plane had been missing for six days on a flight between Indonesian republican territories in Java and Sumatra. There were no details.

Freeberg was a former U. S. troop carrier pilot from somewhere in the Middle West.

The Philippine Civil Aeronautics Administration, checking up today, said he was last heard from when he left Manila International airport, Sept. 16. After he was in the air he got clearance for Zamboanga, in the southern Philippines. Where he went there is not known, but he obviously went on to Java.

The boy fell dead.

BOY MISTAKEN FOR BEAR SHOT TO DEATH

Shots Bay, Ore., Oct. 7—(AP)—A boy was mistaken for a bear and shot to death in an apple tree, an official said today.

Deputy Coroner J. Dale Taylor said Arthur Coker, 15, was with a group of boys skating down apples from trees near Myrtle Point, south of here, yesterday. A member of a hunting party, mistaking the boy moving in the tree for a bear, fired.

Taylor said.

The boy fell dead.

# Fish Dinner Given At Glasgow Home

Glasgow—A group of relatives and friends were entertained at a fish dinner Sunday in the home of Mr. and Mrs. B. E. McEvers. Those present were Mr. and Mrs. Arch Howard, daughter, Sharon, of Carrollton, Mr. and Mrs. William Dawson, children, Becky and William, Jr., of Jacksonville, Mr. and Mrs. Harold Day, daughter, Ruth Ann, near Aisey, Mr. and Mrs. Ralph Young, sons Eddie Mac, Bobby Neal and Harold Ray, Mr. and Mrs. Estele Cowper, daughter, Sandra Lou, Mr. and Mrs. Burley Barnett, Mrs. Eva Young, and Mr. and Mrs. B. E. McEvers. Mr. and Mrs. Byrl McGlasson of Eldred were afternoon and evening callers.

Rev. Arnold Wake, pastor of the local Baptist church, conducting services on the first and third Sundays of each month, has been called to pastor the Barrow Baptist church on the second and fourth Sundays.

At present Rev. Wake is staying at Shurtleff College in Alton, where he is taking a theological course, while his wife and two children are remaining at Farmington, until arrangements can be made to move to a recently secured parsonage, just east of Barrow.

### 5TH GRADERS WRITE THANK-YOU NOTE TO RETAIL COUNCIL

The Retail Council of the Jacksonville Chamber of Commerce has reported that the Shop & Show Day which it sponsored on Friday, October 1, was highly successful. Capacity crowds of children attended both showings of a feature and several cartoons at the Fox Illinois Theatre.

A letter expressing the appreciation of one group of children has been received by the Chamber of Commerce.

"Gentlemen:

The fifth grade of Washington School greatly enjoyed the treat given to us Friday, October 1, at the Illinois Theatre. We appreciate your kindness to us and wanted you to know it. Our room is organized now into a Better Speech Club, so it is our duty to write and thank you.

Mike Shannon, Pres., Sheryl Savage, Secy.

Fred Hopper, chairman of the Retail Council, expressed gratification at the response to this popular event by the children of the community.

### GANGSTERS BATTER BRIDGE

Bangkok —(P)— Would-be ferry operators are blamed by a Siamese communications ministry official for damage to a bridge near here. The official said log rafts had been released in the river, damaging the bridge supports. He surmised that a gang wanted to put the river crossing out of action so they could set up an alternate ferry crossing and make a profit.

### 9 Children Attend First Reunion In Thirty-One Years

White Hall—A reunion was held Sunday at the home of Mrs. A. B. Walker of this city reuniting her family for the first time in thirty-one years. Mrs. Walker, now 76, has resided in White Hall for the past 15 years and has nine living children, all of whom were present at the gathering. One son is deceased.

Her children and families present were Mr. and Mrs. William H. Jackson, Detroit, Mich.; Mr. and Mrs. Fred Lee, Wayne, Michigan; Mr. and Mrs. Oran Foster and son, Jimmie, of Chicago; Mrs. Vernon Dehner and daughter Margie, Alton; Mr. and Mrs. John Walker and daughter, Sue Ellen, Downey, California; Mr. and Mrs. Robert Walker, and daughters Roberta and Patty, Wood River; Mr. and Mrs. Zeno Walker, East Alton; Mr. and Mrs. Wilbur Faulkner, and Adah Walker, White Hall.

Others present included Mr. and Mrs. Lloyd Dehner of Alton, grandson; Mr. and Mrs. Rollie Lowrance, brother, Champaign; Mr. and Mrs. William Walker and daughters of Wrights; Afternoon callers included Mrs. Tessa Hudson, Mr. and Mrs. Virgel Bowen, Mr. and Mrs. Ira Hudson, Mrs. Ruth Bryant and son Michael; Mr. and Mrs. Will Rigg, and Mr. and Mrs. Bill Owens.

Unlike whitetail deer, elk are gregarious and migrate in large herds. They are curious animals and will approach any strange, motionless object.

**Chapin Damaged By Miniature Twister**

A miniature twister swept through the center of Chapin late Wednesday night, resulting in damage to several roofs, telephone and power lines that will amount to hundreds of dollars.

Streets of the village business district were littered with large tree limbs Thursday morning. Chapin was without electric power from 11:15 o'clock Wednesday night, when the storm struck, until 7 o'clock Thursday morning when it was restored by Illinois Power Company repairmen.

Apparently the gale centered in the one area as no other storm damage was reported in the county.

A large limb crashed on the roof of a garage at the Joy service station. An automobile owned by Floyd Hymes was reported to have been slightly damaged.

At the beauty shop operated by Velda Fricke the wind ripped a large sheet of metal from the front of the building. Large limbs covered the roof of the Chapin Cylinder Head Company.

Several windows were broken at the Eller store building, which is unoccupied at present. The chimney was blown off at the home of Austin Griffin.

The roof of Edward Antrobus' repair shop was damaged by wind and falling limbs.

A tree was felled near the Methodist church.

Linemen from both the Illinois Telephone company and power company worked Thursday to straighten up the damage to wires.

Chapin citizens reported the storm struck from the southeast. A hard rain accompanied the wind.

The storm was reminiscent of the twister which struck the Bethel neighborhood west of Chapin last summer, when several houses and barns were damaged.

**House On Howe Street Auctioned**

Bidding \$2,300. Henry Davis of Allen avenue purchased a five room house at 235 Howe street at a public sale Thursday morning. The sale was held by the Farmers State Bank & Trust Co., as administrator of the estate of Eugene H. Coultas, deceased.

The residence is located on a lot 80 by 150 feet, on which also is a double garage.

Middendorf brothers were auctioneers of the sale. Wilson & Wright are attorneys for the estate.

**NO WEATHER CAN PICK**  
Here's a roof that can't leak! The special locking principle in Barrett Anchor-Lok Shingles makes it impossible for any one shingle to become loose or lost — no matter how tough the weather is.

It takes only one lost shingle to let in the rain and moisture. Anchor-Lok Shingles are insurance against rotting understructure caused by a leaky roof.

Each Anchor-Lok Shingle is clamped tightly to its neighbors on all sides—providing a blanket-like covering which hugs the understructure—gives you positive protection against the worst the weather can do.

Why not have your present roof checked by one of our experts—at no cost or obligation to you? Then, if you do need a new roof let us show you these fine Barrett Anchor-Lok Shingles.

## 20 At Meeting Of Merritt Society

Mrs. Myrtle Baldwin was hostess to the Merritt W. S. C. S., with 20 members and six guests in attendance.

Devotions were led by Ms. Jasper, after which Mrs. Anna Hitt reviewed the lesson, "Our Work in Alaska," taken from the study book.

A Bible contest was conducted at

the close of the program. Refreshments were served by the hostess and her assistants, Mrs. Helen Lange and Mrs. Evelyn Longenbaugh.

The next meeting will be held at the church on election day Nov. 2, when the society will serve a luncheon.

## Caution Urged In Preventing Fires On Farms

Farm families are urged to exercise greater caution during the fall months to reduce steadily-mounting farm fires which take 3500 lives annually, according to a statement released by the National Board of Fire Underwriters.

As the nation prepared to observe Fire Prevention Week October 3 to 9, the National Board called for organization of more farm fire-fighting units and greater attention to periodical drills by existing units during the fall and winter months when most farm fires occur.

Nearly one-third of the fires which ate up \$100,000,000 worth of farm property during 1947 could have been prevented by installation of lightning rods of the proper type on every farm building.

Ninety percent of the fires involving gasoline are caused by simple carelessness in handling the dangerous fuel. Special care was suggested in filling gasoline-burning machinery to avoid spilling the fuel or allowing it to drip over a hot muffler or a heated engine.

**Storage of Gasoline**

Gasoline should be stored in underground tanks equipped with standard pumps. Smaller supplies of gasoline may be kept in safety cans or metal drums in a well-ventilated shed at least 40 feet away from all buildings. "Bottled gas," that is, liquefied petroleum gas tanks, also should always be stored outside of homes or barns, and installed according to National Board of Fire Underwriters standards.

Chimneys and flues rank second only to lightning in the number of fires caused, and the yearly cleaning and repair of both is essential.

The increasing use of electrical equipment on farms has also introduced new hazards, the National Board stated. Farmers are cautioned to have any extension in wiring checked by the local inspection authority, and to clean and oil all electrical equipment regularly to prevent overheating. All electric lights and wiring should be placed out of the reach of animals, and should be equipped with metal guards.

Many grain-field fires can be prevented by the use of an approved safety muffler. Individual fire extinguishers attached to tractors, threshers, and other machinery are helpful in fighting fires in the field.

## Church Societies At Carrollton Meet Thursday

Carrollton—The W.S.C.S. of the Methodist church met Thursday afternoon at the home of Mrs. Delbert Driver. Mrs. J. Hobson was the devotional leader. The topic was presented by Miss Sarah Pinkerton.

Members of the Missionary Society of the Presbyterian church were entertained Thursday afternoon at the home of Mrs. N. D. Vedder. The program was presented by Mrs. Vedder and Mrs. T. Hough, Sr. Miss Virginia Vedder was devotional leader.

The Missionary Society of the Baptist church met Thursday afternoon in the church parlors at which time a play, "Bread Upon The Waters," was presented by Mrs. Ray Williams. The devotional leader was Mrs. Meade Dixon.

## Michael McMahon, Former Mayor Of Carrollton, Dies

Carrollton—Friends here have received word of the death of Michael (Bitter-Creek) McMahon, 93, which occurred Saturday, Oct. 2, in California.

McMahon is a former Carrollton resident and was engaged in the barbering business while residing here. He also served as mayor of Carrollton and as justice of the

peace. His wife, the former Nelle Connole, preceded him in death several years ago.

Surviving are three sons, Leo, Raymond and Robert McMahon, and one daughter, Blanche, all of California. He also leaves one sister, Mrs. McGuire of Jerseyville. Funeral services and burial were held in California.

## Russell Bryant Of Ashland Weds California Girl

Ashland—A garden ceremony in Capella de San Antonio united in marriage Miss Juanita Roberson, daughter of Mr. and Mrs. Clifford Roberson of Fullerton, Calif., and Russell Bryant, son of Mrs. Ruth Bryant of Ashland.

The vows were pledged in a double ring service performed by the Rev. Carlton Buck. The bride wore a white satin gown made en train, and a fingertip veil held in place with a

diarra of seed pearls. She carried a white orchid surrounded by stephanotis atop a white Bible.

Miss Wanda Roberson, the maid of honor, wore an aqua gown with a band of carnations in her hair. Frosted organza fashioned the gowns worn by the bridesmaids. All of the bridal attendants carried garden hats, filled with flowers.

A reception was held following the ceremony, after which the couple left on a wedding trip. Upon returning they will reside in Fullerton, where the bridegroom will attend Fullerton Junior college.

The first title of English nobility issued in America was to the Indian Manteo, who was named Lord of Roanoke Island, 1587.

## Hebron W.S.C.S. Members Discuss Year's Program

A four-point program for the coming year was discussed by Mrs. Marie Ward at the meeting of the Hebron W. S. C. S. held Wednesday afternoon at the home of Mrs. Eugene Martin near Sinclair.

Mrs. Nettie McNeely was devotional leader. The lesson was given by Mrs. Robert Barnes. Mrs. Clara Brown read the program of the Illinois W. S. C. S. conference, to be held in Decatur Oct. 28.

The group voted to divide the day's collection for Christmas gifts for the Langleyville and Cunningham Homes. The program for the day, "Alaska Among the Northern Lights," was presented by Mrs. Kate Brown. Refreshments were served.

Guests included Mrs. May Dinwiddie of Litchberry, Mrs. Kenneth Cline, Mrs. George Martin, and daughters June and Nancy, and Mrs. Mary Winters.

## Autumn Bride

MRS. RAYMOND DEMAREE

Before marriage Sept. 26 in the First Presbyterian church at Mattoon, Ill., Mrs. Raymond Demaree was Miss Jean Lothian of Jacksonville. She is a daughter of the late Rev. and Mrs. Harry Lothian, and sister of Mrs. Tom Gollier of this city.

Mr. and Mrs. Demaree are now making their home in Quincy.

When the first U. S. census was taken in 1840, only 40 percent of the total population was found to be literate.

## Fire Foil

Here's the latest in fire-fighting clothing. The Air Materiel Command, as a result of tests at Wright-Patterson Air Force Base, Dayton, O., found this suit gave fire-fighters the best protection. It's made of aluminum foil, laminated on a cotton backing. It reflects the heat, but can't be worn into the flames.

## Garlich Directs Community Chest Appeal In County

The county division of the Morgan County Community Chest campaign will be under the direction of E. H. Garlich, Morgan county farm advisor. Mr. Garlich, who was the county division chairman for the campaign last year, stated that the campaign this year will be handled entirely by mail. He added that although personal solicitation of people in the county for the Community Chest is preferred, it is impossible to find workers who can canvass such a large territory.

E. H. GARLICH

"We hope," said Mr. Garlich, "that the folks in Morgan County will understand and cooperate to the fullest extent possible."

The advance letter mailed from the Community Chest to 4,000 families in Morgan County reads in part:

"Every indication shows that this year the crops and harvest will be extremely bountiful. The farmer will get an excellent return for the nurturing of his fields, and he can well be proud of a good job well done."

"Every indication shows that this year the needs and demands of the agencies belonging to the Morgan County Community Chest will be 33% greater than last year. The

people living on rural routes, together with those living in the towns and cities, will also not an excellent return for the nurturing of these agencies. And, when our quota for the 1948-49 campaign is reached, we will all be justly proud of a good job well done.

"This year the Morgan County Community Chest is proud to announce that the USO will be included in this year's quota. This organization is a natural ally of our greatly expanded military establishment. In Morgan County alone 99 boys have already left to join some branch of our Armed forces."

"Unlike clay, once the character of a growing child has been molded or changed, it is extremely difficult to reshape it in later years. The Boy Scouts and Girl Scouts, the YMCA and Youth Center are agencies which actively engage in molding the character of the youth of Morgan County. . . . The needy, the unfortunate and the helpless will always find sympathetic and willing

service rendered by the Salvation Army and the Illinois Children's Home and Aid Society. These two agencies have established their records for help in time of need."

Several species of plant aphids are known as "ant cows". The ants carry them about and protect them, consuming a secretion of fluid which they yield.

various sections of the State by the Illinois State Library, the Office of the State Superintendent of Public Instruction and several other library and educational groups. The general theme is "The Place of the Library in the Enriched Curriculum."

Dr. Blodgett on Program  
Superintendent Gard will preside at a morning session opening at 9:30 a.m. The program includes talks on "The Modern Curriculum," by D. L. Blodgett, Jacksonville superintendent of schools; "What a Classroom Teacher Expects from the Library," by Miss Edith Masters, Petersburg High School teacher; "What Can the Librarian do to Help both Teachers and Pupils in the Library," by Mrs. Adele Armstrong, Bushnell High School Librarian; "How Can the City Library Supplement the School Program," by Miss Hallie Seegar, librarian of the Beardstown public library, and "What Should the Stu-

dent Expect from the School Library," a discussion in which Tom Fischer, Lillian Larkin, Violet Phelps and Ruth Weber, Beardstown High School students, will participate.

At the afternoon program, opening at 1:30 p.m., B. W. Smith, Cass county superintendent of schools, will preside. Dr. John Carrington of Illinois State Normal University will speak on "Adequate Schools for 1948," and Elizabeth Kuhlo, Quincy Junior High School librarian, will discuss "Development of Specific Units of Work Through the Use of the Library."

Superintendent Smith will be chairman of a round table discussion dealing with elementary school problems, and P. W. McAllister, Beardstown High School principal, will side over a similar meeting dealing with secondary school problems.

## Franklin School Cafeteria Starts Serving Thursday

The new cafeteria at Franklin third ward school, which is operated under the government hot lunch program, was opened Thursday, with about 150 students being served.

Two fully-equipped rooms, a kitchen and serving room, have been added to the school. The east end of the play room is used as a dining room.

Mrs. Howard Anders is in charge assisted by Mrs. Lucille Thompson. The cashier and secretary is Mrs. Donald Robinson. Members of the faculty have charge of children during the meal and direct the activity program which follows.

Assistance is also being given by several P. T. A. members, including Mrs. J. Harry Dowland, Mrs. O. B. Cannon, Jr., Mrs. R. A. Bullington, Mrs. Harold Hunter, Mrs. Robert Ferris, Mrs. Archie Davis, Mrs. D. M. McDermott, Mrs. Kenneth Stapleton and Mrs. Jack Fleetwood.

As the program progresses, the entire school can be accommodated if the parents wish this service for their children.

## Vows Exchanged By Marilyn Harp, Ray R. Denney

Roodhouse—Marriage vows were spoken at 5 o'clock Sunday afternoon, October 3, by Miss Marilyn Harp, daughter of Attorney and Mrs. W. O. Harp of Roodhouse, and Ray R. Denney, son of Mr. and Mrs. Clarence Denney, also of Roodhouse.

The ceremony was performed by Rev. C. L. Leitz, assisted by Rev. P. G. Batty, at the home of the bride's parents.

Arrangements of palms, ferns, baskets of mixed glads and babybreath and candleabra made a pretty setting for the ceremony, which was preceded by recordings of soft wedding music. Selections played were "Oh Promise Me," "I Love You Truly" and "Always." Just before the traditional wedding march, candles were lighted and two lovely vocal numbers, "Because" and "I Love You," were sung by Mrs. Robert McCaherty, accompanied at the piano by Miss Marcelle Caster.

As the bride descended an ivy entwined stairway, she was met by her father, who gave her in marriage.

**Bride Wears Gray Suit**

The bride was attired in a gray suit with bronze accessories. Her only jewelry was a strand of pearls. Her corsage was of tulleman roses and gypsophila. The maid of honor, Miss Sue Carol Silvernail, wore a gray suit with black accessories and a corsage of red roses.

The bride's mother wore a brown crepe dress with matching accessories, while the groom's mother chose a royal blue crepe complemented with black accessories. Both wore corsages of gardenias.

The groom was attended by his brother, Joe W. Denney, as best man. Ushers for the occasion were Maurice, Daniel, Merle and O. D. Harp, all brothers of the bride.

A reception followed. A beautiful three-tiered wedding cake was first cut by the bride and groom and then served with other refreshments by the Mesdames Joe W. Denney, Merle Harp and O. D. Harp. Guests were registered by Miss Patricia Silvernail.

After the reception the couple left on a trip through the Ozarks, and on their return will be at home in an apartment being made ready for them at 621 South Thompson street in Roodhouse.

## Miss Peggy Hart, James K. Ong Wed At Arenzville

Arenzville—The garden at the home of Mr. and Mrs. A. C. Hart in Arenzville was the scene of a lovely wedding ceremony Saturday afternoon when their daughter, Miss Peggy Hart, became the bride of James K. Ong of Chicago.

The Rev. W. H. Fankhurst officiated at the double-ring rites which took place before an improvised altar empaneled with evergreens and yellow straw flowers. The wedding marches were played by Miss Betty Baird of Chicago, who also accompanied Warren Rudy of Chicago as he sang "O, Promise Me," "The Lord's Prayer" and "Ichte Liebe Dich."

Ivory brocaded satin fashioned the bridal gown. The gown was styled with a sweetheart neckline, long pointed sleeves and full skirt. The full-length veil, originally worn by the bride's aunt, Mrs. Fredrich

Engelbach, was of illusion net edged with lace. As her only jewelry, the bride wore a carved cross belonging to her mother. She carried an orchid atop a white Bible.

The matron of honor, Mrs. Robert Davis of Chicago, wore a gown of lavender faille. Pink faille was worn by the bridesmaid, Miss Ruth Haeger of Chicago. The junior bridesmaids, Karla Hart and Gretchen Engelbach, were attired in apple green faille.

Daniel Green of Chicago served as best man. Harold Gill of Milton, Wis., was usher.

Following the ceremony a dinner for members of the wedding party was held at the Dunlap hotel. The couple canceled plans for a wedding trip because of the death of the bride's grandmother, Mrs. Katy J. Hart of Ashton.

The bride was graduated from Arenzville High school and attended Illinois college for one year. She is now in nurses' training at Wesley Memorial hospital in Chicago.

Mr. Ong, who studied chemical engineering at Milton college in Wisconsin, is employed at the Kraft Cheese company in Chicago.

## Glasgow Couple Observe 25th Anniversary

Glasgow—Mr. and Mrs. Harry Young, who reside east of Glasgow, observed their 25th wedding anniversary on Thursday, Oct. 7.

Mr. and Mrs. Harry Young

The couple were married in 1923 in an impressive ceremony performed at the bride's home by the late Rev. S. D. Ballard, the pastor of the Glasgow Baptist church. The ceremony was witnessed by a large group of relatives, friends and members of Mrs. Young's Sunday School class.

Mrs. Young is the daughter of the late Mr. and Mrs. William Wilson. Mr. Young's parents were the late Mr. and Mrs. James E. Young. Both families were pioneer residents of the Glasgow community.

## Federal Old Age Claims Should Be Filed Promptly

Out of each 21 new applications for Federal Old-Age and Survivors Insurance benefits filed with the Springfield office in the months of July, August and September of this year, one application was late.

This was announced by H. J. Vasconcellos, manager of the Springfield office of the Social Security Administration, who explained that 32 of the 672 new applicants had delayed filing their applications so long that they failed to receive all of the payments that might have been theirs. He said that the payments which could have been paid to the 32 persons, had their applications been filed in time, amounted to a total of \$6800.

One individual had delayed filing an application for the last four years and so did not receive \$728 which would otherwise have been paid to him.

The reasons advanced by claimants for their delay in filing are that they "just didn't know about it" or

## 100 Workers Join In Community Chest Special Gifts Drive

The special gifts division of the Morgan County Community Chest will open its 1948-49 campaign with a kick-off breakfast at the Dunlap hotel at 8 a. m. Friday, October 8. Walter Bellatti, chairman of the division, in making this announcement said that service clubs of Jacksonville have joined forces to furnish a top-notch crew of 100 workers. These workers will meet at the breakfast to gather facts and work up steam in order to get the special gifts steamroller in action.

H. L. Caldwell, president of the Rotary club, announced that his "volunteer" workers are Harry Andre, Sam G. Baker, W. R. Bellatti, F. J. Blackburn, J. D. Bunting, R. J. Campbell, Deane L. Cannell, Robert M. Capps, H. L. Caldwell, Arthur G. Cody, J. L. Conant, Robert W. DuBois, J. A. Dunlap, Lloyd Hamilton, Crit Haneline, Robert Hartman, Waldo McCreery, W. H. Pankhurst, Lewis Raymond, C. L. Rice, Clarendon Smith, Earl Spink, J. N. Con-

The over-loading of electrical circuits is one of the major causes of fire. A wire can carry just so much electricity. Do not over-load an electrical outlet which will in turn cause too great of a load on the circuit. A symptom of overloading is a fuse blowing. When this happens do not replace with a penny or larger size fuse. If this happens often call your Electrical Contractor... It may save calling the Fire Department.

## JHS Faces Rushville In Homecoming Tilt At 8 P. M. Tonight

No. Jacksonville Pos. Rushville No. Stephens and Streibberger. And their backfield may be among the best the Crimsons will see all season.

The Spoon River gang warmed up for tonight's bout with a 59-0 conquest of Havana last Friday night. Rushville also includes Macomb in its list of victims.

Jacksonville high school will be primed to stop the Rushville attack, which is centered about Patterson and Crumley. And, it's a cinch that the visitors will know a bit about the J.H.S. offensive, for Coach Wikom unobtainably had a scout in the stands at Beardstown last week.

**May Alter Backfield**

Coach Bob Kraushaar indicated on the eve of the homecoming battle that there might be a change in the J.H.S. backfield. He indicated that Johnny Walker, pass-tossing freshman who has seen much action since suffering an injury early in the Pittsfield opener, might go at quarterback tonight. Walker was being groomed for the fullback post prior to his injury, but that job is now being capably filled by Andy Petko.

Fred Lawson, who suffered a sprained ankle the night before the Beardstown game, is back and ready for tonight's battle. A steady performer throughout the season, Lawson will strengthen the outfit by his return.

Spotts and Whitacre, the Jacksonville speed merchants, will round out the starting backfield.

The Jacksonville high school band, under the direction of James Welch, which has received an enthusiastic reception in its first two football game performances, has another half-time exhibition planned for this evening.

A homecoming dance following the tilt will conclude the weekend festivities.

**May Hamper Seabacks**

Feeling probably won't be affected if the skies clear this afternoon as forecast, but the shifty running of Rushville's Patterson and Jacksonville's Spotts, both all-state candidates in the opinion of their hometown fans, is likely to suffer.

Emphasis may be thrown on the ability of the visitors' Crumley and the hosts' Petko, both line crashers of considerable merit.

Although the Crimsons, fresh from their 7-7 tie with Beardstown and probably stronger than in their appearance last weekend, will be faced with a homecoming spirit, most experts regard the invaders as two touchdown favorites.

Rushville, like Pittsfield and Quincy, previous conquerors of J. H. S., is loaded with veterans and boasts a particularly strong backfield. If there is any one glaring weakness in the Rushville team, it probably lies in the line between the center and the two ends.

**From Tapes Center**

Coach Howard Wikom, returning to the Rushville post after an absence of some eight years, has shifted one of his outstanding players, Fred, to center in an effort to bolster the forward wall. Trone has responded, according to all reports, with a fine performance.

Rushville also has two fine ends in

## Series Game Start May Be Delayed; Trains Run Late

Cleveland, Oct. 8.—(Friday)—(P)—Indications early this morning were that the Boston Braves and the Cleveland Indians wouldn't get in much of a pre-game warmup for Friday's third tussle in the World Series.

And it was possible that some members of the press covering the classic might not be on hand for the start of the fray, scheduled at 1 p.m. (EST).

Special trains carrying the teams and the scribes were late setting away from Boston en route to Cleveland Thursday evening, and all appeared to be falling behind schedule. Should any more time be lost, indications were that the game's start might be delayed—a decision up to Commissioner Chandler. The stadium is only a few blocks from the terminal where the specials will be sidetracked.

## White Hall Eleven Meets Jerseyville In Crucial Combat

Jerseyville—It will be Ken Barnard's deceptive broken-field running against Ralph Bailey's powerful thrusts when White Hall invades Jerseyville Friday night in a crucial Illinois Valley conference game.

The contest is the highlight of the weekend schedule, which includes Thursday night's Pittsfield at Greenfield clash, this afternoon's tangle between Winchester and Roodhouse on the Railroads' home field and Pleasant Hill's junket to Carrollton Friday night.

Jerseyville rates a slight favorite, off the teams' season records. The Panthers are undefeated, having downed Pleasant Hill, Winchester and Carrollton. They are unscored upon.

White Hall got off to a bad start, losing to Carrollton and Roodhouse before downing Winchester in their opening Valley game last Thursday night. Coach S. N. Walker's Maroons are a heavy team and Jerseyville will be outweighed in the line for the first time this season.

Jerseyville's ground attack was impressive in the 32-0 rout of Carrollton, but the Panthers have proven they can take to the air when necessary.

Both quarterbacks in this tilt between old rivals, Davis of Jerseyville and Milnes of White Hall, are good choppers and the latter is a good ball-totter as well. The Panthers boast another hard-running back in Dick Bell, fullback, who is one of the conference's best line-plungers.

Jerseyville will be shooting for its second victory over Walker-coached White Hall eleven. The Panthers turned the trick last season, 20-13. Previously S. N. Walker's clubs had taken three straight in the gridiron series.

## Boudreau Leads Rally Which Blasts Spahn From Pitching Mound

Cleveland, Oct. 7.—(P)—Rainy, windy and cool weather forecast for the third game of the World Series here Friday.

Occasional rain is expected during the afternoon when Cleveland and the Boston Braves battle to break their 1-1 deadlock.

Temperatures were expected to range from a chill 52 degrees to 58.

**Braves Field, Boston, Oct. 7.—(P)—**The favored Cleveland Indians came bouncing back behind righthander Bob Lemon Thursday to clip the Boston Braves 4 to 1, and square the world series at a victory apiece as the play-offs moved west for the next three games.

Partly recovered from the battling palsy which afflicted them against Shut-Out Johnny Sain in Wednesday's opener, the American league kings rocked Southpaw Warren Spahn from the hill in a fourth and fifth inning uprising and went on to win easily behind Lemons' gilded curving.

The Indian chucker, who delivered a total of 10 shut-outs for the tribe in the regular season, would have blanketed the National league champs but for an error by Second Baseman Joe Gordon which led to an unearned run in the first inning.

**Superb In Clutches**

Lemon's performance was not quite as spectacular as Bobby Feller's losing two-hitter of the previous day. The Braves toughed him up for eight hits, the same number Cleveland got off Spahn, Charlie (Red) Barrett and Nelson Potter. But the Cleveland star was superb in the clutches and was aided by two fancy double plays.

Manager Lou Boudreau led the assault on Spahn which inflicted the first world series loss ever suffered by the Braves. The team's play-off record, going back to the storied 1914 series against the Philadelphia Athletics, was 5-0 up to today.

Cleveland's handsome shortstop-manager started Spahn's downfall with a lead-off double in the fourth, scoring a moment later on Joe Gordon's line single to left with the first Indian run of the series.

**Another Boudreau Hit**

He completed the rout of the left-hander an inning later when he slashed a single through the box into center field to score Dale Mitchell, who had singled and advanced on a sacrifice. That was all for Spahn, who chalked up 15 wins for Boston in the regular season.

Both Barrett and Potter hurried well in relief, allowing the Indians only two more widely spaced hits over the last four and two-thirds innings. But their efforts went for naught as Lemon, aided by a stiff east wind at his back, boned down and straddled the Braves in the tight spoils.

The fourth Cleveland run in the ninth inning was tainted. Catcher Jim Hegan got on when Alvin Dark, Boston's rookie shortstop, made his second glaring bobbie of the game, and continued around on a couple of infield outs and a blow to center by Bob Kennedy.

**In The Hole Again**

Bob Elliott, Boston third sacker, made his third error in two days to help put Barrett in a hole in the seventh frame, but the red head pulled out safely. Barrett, using a lot of slow stuff, pitched to 10 Indians and gave up only one hit before retiring for a pinch-hitter.

Larry Doby, Cleveland's crack young negro centerfielder, was the only member of the winning club besides Boudreau to connect more than once. He laced a double to deep left centerfield with two down in the second for the Indians' first safety off Spahn, and powered Joe Gordon across the plate with a fourth-inning single.

On his last two times up Doby fell a strikeout victim first to Barrett and then to Potter, missing third strikes by wide margins.

**Work Pick-Off Play**

The same pick-off play which created a furore in the opening game worked like a clock today and helped pull Lemon out of a jam in the first inning.

Earl Torgeson was on second and Bob Elliott on first, one score already was across and only one was out when the Cleveland flinger whirled and whipped the ball to Boudreau, just as Feller had done in Wednesday's disputed play.

Again Boudreau slapped the pellet on the runner, and this time he had better luck. Bill Grieve, an American league umpire who has watched the Indians play the play numerous times during the regular season, nearly wrenched his right shoulder loose in gesturing that Torgeson was out.

**Strikeout Ends Uprising**

Heartened by this break, Lemon whizzed a third strike past Marv Rickert to choke off the Boston rally. Never again did the Braves seriously threaten. They put two runners on both in the fourth and sixth frames on walks followed by singles, and Torgeson opened the eighth with a shot to center. Boudreau and Gordon set off double plays to cut the National leaguers down in the sixth and eighth.

The paid crowd of 39,633 and several hundred reporters did plenty of talking about the disputed play which possibly cost the Indians the first battle, but apparently no official action will be taken. Having seen Associated Press photos of the incident, the Cleveland players were more than ever convinced that Boudreau did, indeed, tag out Phil Masi on the pick-off play.

**Ride The Umpires**

But if they directed any barbed remarks at Bill Stewart, the offending arbiter, it was not too apparent from the stands. Bill Summers, who worked behind the plate today, once cautioned the Cleveland bench to pipe down.

Tommy Holmes, who knocked Masi across with the winning run Wednesday, had no luck at all against Lemon. On three of his four trips he failed to get the ball out of the infield. Lemon forced Tommy to hit the dirt hard in the second frame with a pitch which nearly clipped his cap brim.

Holmes did, however, contribute the games top fielding play. In the sixth, with Ed Robinson on first and one down, he raced close to the right field wall to haul down Jim Hegan's vicious line with one hand and then pegged in to double Robinson, who had rounded second in the belief that the ball was long gone.

**Poison To Lefties**

The Indians' success in blasting Spahn from the mound only strengthened their belief that they are poison to any and all southpaws. During the regular season, Boudreau's sluggers beat the lefties 29 times while losing 16 to them.

Off his marked failure today, Spahn might not be given another start by Manager Billy Southworth unless the series goes close to the limit and he runs very short of pitchers.

Friday in Cleveland's huge municipal stadium, it will be Gene Bearden for the Indians against Vern Bickford, crack young rookie righthander of the Braves.

Bearden is the cool lefthander who hurled 20 victories for Cleveland in the regular season, including a great job of throttling the Boston Red Sox in the American league play-off game here last Monday.

Bickford won 11 games for the Braves in his first campaign, and did some of his most spectacular work in the latter part of the season. His teammates believe he is capable of giving the Indians much the same treatment that Sain did in the opener.

The effect of a wet field on the producing ability of Rushville and Jacksonville high school football teams was a matter of considerable speculation late yesterday as rain dampened a giant, bon-fire lighted pep-rally, the opening event on the J.H.S. homecoming schedule.

Although the weatherman promises a halt in the rain by noon today, the turf at the high school's makeshift athletic plant, probably will be far from solid when the Crimsons and their worthy opponents take the field tonight for their 8 p.m. combat.

**May Hamper Seabacks**

Feeling probably won't be affected if the skies clear this afternoon as forecast, but the shifty running of Rushville's Patterson and Jacksonville's Spotts, both all-state candidates in the opinion of their hometown fans, is likely to suffer.

Emphasis may be thrown on the ability of the visitors' Crumley and the hosts' Petko, both line crashers of considerable merit.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 7.—(P)—While hog prices went \$1 to \$1.25 a hundred pounds higher today, cattle continued the downward path at steady to \$1 lower values. Sheep were steady to 25 cents higher.

Most good and choice butcher hogs sold between \$24 and \$25.75 with the top at \$26. Weights above 280 pounds were scarce and had no market test. Sows brought \$21.50 to \$24.50.

Most good and choice steers ranged from \$28 to \$37.50 with one load grading choice at \$40. Good feeders brought \$27 to \$33. Good cows were scarce but most best kinds took \$16.50 to \$19, while common and medium bulls made \$17 to \$22 and vealers topped at \$32.

Most good and choice native woolled lambs brought \$24 which also was the top price. Common to good slaughter ewes made \$9 to \$10.

Total receipts included 6,000 hogs, 4,400 cattle, 400 calves, and 3,000 sheep.

**Bloomington, Ind., Oct. 7.—(P)—**Halfback Del Russell will be out of the Indiana university lineup for at least two weeks because of a knee injury suffered in practice yesterday. Dr. Charles Holland, team physician, reported Thursday.

The injury will keep Russell out of both the Texas Christian and Ohio State games.

Sophomore Alan Linneman moved up a notch to take Russell's place.

**South Bend, Ind., Oct. 7.—(P)—**Left End Jim Martin of Notre Dame, on the doubtful list with a knee injury, was listed Thursday as a likely starter against Michigan State Saturday.

Martin had injured the knee in practice Tuesday and first reports had been pessimistic.

The Irish held a long scrimmage against the freshmen as they wound up heavy work for the Spartan invasion.

## Billy Disappointed Thursday After Series Loss

Boston, Oct. 7.—(P)—By attitude, rather than words, Manager Billy Southworth expressed his keen disappointment over his Boston Braves' performance Thursday in their second world series start against the Cleveland Indians.

"We had a couple of chances to go two games up but we didn't get the hits when the chips were down," Southworth explained. "We are capable of much more timely hitting. Frankly, I'm very glad this series is being moved to Cleveland. It will be a good thing to get our players away from hometown distractions. They will be able to concentrate harder on the road."

Southworth dismissed Bob Lemon's winning pitching performance with "look at the fine job he did. He must have something."

But several of the Tribesmen gave highly flattering reports on Lemon. "He never gives you anything 'fat,' even when you're ahead of him," Eddie Stanky, who got the only Boston extra-baser, explained. "He throws his sinker when he's behind and it's mighty tough. Lemon didn't give me one good ball in four trips."

Lefty Warren Spahn, who opened for the Braves and lasted until the fifth inning, blamed his downfall on his inability to get his change of pace ball low enough.

When Southworth learned that Southpaw Gene Bearden would be Cleveland's starting pitcher tomorrow, he promptly revised his lineup, packing it with righthand hitters.

"Mike McCormick will play left field, Frank McCormick first base, Clint Conatser center field and Phil Masi will catch Vern Bickford," the percentage-minded Southworth said.

During the regular National League season, those lineup changes resulted in rival lefthanded pitchers being knocked out of the box more than 60 per cent of the time.

## Indians Celebrate Briefly Following Win In 2nd Battle

Boston, Oct. 7.—(P)—The business like athletes who compose the Cleveland Indians celebrated briefly and in restrained fashion Thursday after their 4-1 triumph which evened their World Series with the Boston Braves at one victory each.

"Right," said Indian Chief Lou Boudreau. "It was a good win but don't forget we need three more and that's what we're after."

"This guy pitched a great ball game when the chips were down," said Boudreau as he rubbed pitcher Bob Lemon's head.

"You mean after the first few innings, Lou, but you and Joe here (second baseman Joe Gordon who dressed in the next locker) did most of the hitting," the pitcher said.

Lemon, who wasn't too sharp at the start of the game, admitted, "I couldn't control my breaking stuff in the early innings but it turned out all right because after I got men on base my control seemed to return. One of those things you can't explain."

Boudreau said he wasn't too worried at any time although he did have "Specs" Killeman, Sam Zolack, Satchel Paige and Steve Gromek warming up at various times.

Boudreau, who doubled and then scored the Indians' first run and drove in another, complimented Warren Spahn, losing Boston pitcher, as "a good man with lots of stuff."

"But," he added, "I'm glad he didn't have good control of his changeup. That's what I hit for a double. It was high and I had a good chance to measure it."

Lemon and Boudreau worked a pick-off at second base today, trapping Earl Torgeson in the first inning to stymie a Boston rally.

It was a play of the same kind that caused a controversy yesterday when Boston's Phil Masi was ruled safe and Boudreau thought he had tagged Phil.

A baseball writer asked "what were you and Masi grinning about today when Masi went to second to run for Bill Salkeld in the sixth?"

"Oh," responded Lou, "Phil just said 'no tricks now.'"

## Four Loop Games Slated In CCI This Weekend

Wheaton entertains James Millikin university, Elmhurst invades the lair of dangerous Illinois Wesleyan's Titans and Illinois college travels to North Central in three College Conference of Illinois combats this weekend, but the game of the year may develop at Lake Forest, where the Carthage Redmen will be appearing.

Illinois Wesleyan's Titans and the James Millikin Big Blue both began their Little Nine conference schedules Saturday with unexpected victories—over Wheaton and Augustana, respectively. Wesleyan shook the powerful Wheaton Crusaders to the roots with a 20-6 blast that left them breathless and gave warning of the tight battle brewing in conference circles this year. Augustana's Vikings, riding the crest of an easy first game win over Elmhurst, were out down 7-0 by Millikin when Alie conference halfback Don Shroyer scored after a 59 yard dash. For the Titans, big passing fullback Bill Finks and a hard-charging line were the basis of Wheaton's defeat.

In other non-conference games involving league teams, Lake Forest was downed 14-7 by an improved Great Lakes team which notched its second win of the season. Elmhurst's Blue Jays shook off a 44-7 loss of last week to Augustana and came out on top in a 19-12 battle with the Concordia Cougars of River Forest.

Friday night it was Illinois college who upset the dope bucket with a 25-0 win over Principia while the North Central Cardinals were bowling 10-0 to Iowa Central for their second scoreless loss of the current season.

**The Loves of Carmen** By SOPHIE KERR  
Copyright, 1948, NEA SERVICE, INC.

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, has just come to Seville from the countryside of Navarre. On his first day in the city, a gorgeous gypsy girl flirts with him, then disappears. Some days later he is on duty in the square with his friend, Andrea, when he sees her again. Andrea greets her warmly as Carmen, but her glance is all for Jose. Shortly afterwards, Carmen goes into a street brawl with another woman and knifes her. Jose, ordered to take her prisoner, lets her escape. As a result, he gets extra guard duty and is confined to barracks for 30 days. On the last night of his extra duty, he is amazed to see Carmen attend a party at the colonel's house. She turns his questions aside, hints he meet her at Lillia Pastina's. But at the tavern Jose discovers a drunk and driving. Andrea also waiting for Carmen. Disgusted, he suggests they both leave. Carmen is furious.

X

CARMEN, the gypsy, straight-backed and reckless, believed her future was locked within a pack of greasy, dog-eared gypsy cards.

Carmen accepted the prophecy of the cards the more readily because her fortune always came out exactly the same, no matter who told it. The cards for Carmen, until that night, had only been filled with love. From her first memory of the cards turning with one bent blackened old woman or another talking, it had always been the same. Her fortune had been filled with love, and her fortune had always come true.

The crone turned the piece of fish in the fat-filled frying pan. It spit grease with angry violence. The old woman looked directly at Carmen.

"It isn't over with—"  
"It's over as far as I'm concerned."  
The old crone muttered to herself. "Something's in the air tonight—I can feel it!"  
Carmen sat down and tapped the surface of the table.  
"Tell me what the cards say."

for me as one love, except one at a time. That's for me—one at a time!"

The old crone looked at her through her sharp black, shoe-button eyes sunk in dirtily spotted, crepe skin, and said, "Nothing can stop this. It is your fate. It is written here. You are doing it yourself. You are pulling it toward you with invisible dark threads that are stronger than you, Carmen—"

Carmen watched her.

"—as strong as life itself!" the ancient hag muttered, staring at the cards. "And as strong as death!"

WITH the word "death" a card dropped, and the old woman frowned, looking at it puzzled. There was a silence, until Carmen said, "What is it?"

The old woman did not answer, but looked at Carmen briefly and pityingly, and then looked away.

"What is it?"

The fortune teller still did not answer, nor move. Carmen sat up slowly, beginning to get frightened—and fear made her angry.

"What do you see there that makes you look like that? Answer me!"

The old gypsy came over to Carmen's side, drawn by the tension. Carmen rose slowly, and suddenly moved to the table to look at the cards. Her eyes widened at what she saw. When she spoke, she tried to sound derisive.

"That isn't my fortune."  
"The fat's in the fire all right, just as I said."  
"That isn't my fortune, I tell you! I didn't cut the cards—"  
She swept the pack from the table with a swift, vicious movement of her hand.

"That wasn't my fortune. Anyway, I don't believe in cards. I never did."  
Then suddenly she became calm and turned placidly, smoothing down her skirts. She shrugged her shoulders.

"We all have to die—"  
She smiled now as though she were actually pleased with the prophecy.

"I can't imagine a nicer way than to be killed by love."

## Corn Loan Price Set At \$1.42 Per Bushel

The price support loan rate for this year's corn crop will be \$1.42 per bushel in Morgan county. This determination is based on an announcement issued by Harry M. Combrink of Carrollton, member of the state production and marketing committee, that "the 1948 county loan rates for corn shall be determined by adding seven cents to the 1947 rate established for each county." The rate for 1947 in Morgan County was \$1.35, according to Wallace T. Hembrough, chairman of the local AAA committee.

It was emphasized by Mr. Combrink that loans will be available on farm-stored corn only. "Warehoused stored corn will not be eligible for loan," he said.

Loans To Mature Sept. 1 Farmers this year can take out loans at time of harvest instead of waiting until Dec. as required in previous years. Loans will be available to producers through June 30, 1949, and will mature Sept. 1, 1949 or earlier on demand.

The purchase agreement program will also be available on this year's corn crop. "This," said the state committee, "is a plan under which a farmer can secure price support protection without actually taking out a loan. It will be available during the same period as loans and the protection guarantee is at the loan rate."

Details Available Soon Mr. Combrink advised all farmers interested in either program to get in touch with their local county AAA committee in the near future. "All details of both programs will be furnished to county offices as soon as they are received from Washington," he said.

Loan rates for Illinois counties range from \$1.40 to \$1.47. The national average, according to Department of Agriculture announcements, is \$1.44. As required by law, these rates are based on 90 percent of the parity price of corn as of Sept. 15, 1948. Parity for that date averaged \$1.60 per bushel nationally—or seven cents higher than the \$1.53 parity a year ago.

## Miss Polyna Stoska Sings Concert Here

Miss Polyna Stoska, glamorous soprano of the opera, stage, and radio, sang a fine concert at the Jacksonville High school auditorium last night in the first presentation of the MacMurray College Artist series of 1948-49.

Miss Stoska may be definitely classified as glamorous in the right sense of the word. She has a beautiful voice and possesses a fine theatrical sense. With this she combines a naturalness that is quite unique.

The program of the artist was splendidly selected. Three well-known songs made up the first group, which was sung with complete artistry. Handel's well known "Largo: Ombra mai fu" was followed by "My Mother Bids Me Bind My Hair," by Haydn. This latter number, which might sound hackneyed in less expert hands, was projected with classical elegance. "Love Has Eyes" completed the group.

A leader group composed of such songs as "Wie Melodien zieht es mir," "Vergebliches Ständchen" by Brahms, two beautiful songs by Hugo Wolf, and "Cacilie," by Richard Strauss, gave a deeper musical aspect to the program.

In her arias, which included "O Mio Babbino Caro," from "Gianni Schicchi," and "Vissi d'Arte," from Tosca, both by Puccini, and "De plus de jour," from the romantic opera "Louise," by Charpentier, Miss Stoska proved her ability to render operatic selections. Each number

was sung with great warmth and beauty of tone.

For her last group Miss Stoska chose the plaintive "At the Cry of the First Bird," by David Guion, "So I Go Singing," by Walter Branssen, "Tell Me, O Blue, Blue Sky," by Giovanni, a very modern setting of the old favorite "Drink To Me Only With Thine Eyes," and "Night," a song in manuscript which has been dedicated to Miss Stoska by the composer Edwin McArthur. This song has charm and a real sweep, which Miss Stoska seemed to grasp.

Mr. Marcel Frank served as a splendid assisting artist who did a group of piano selections including "Prelude," by Handel, a charming rendition of "Nocturne," by Debussy, and "Polichinelle," by Rachmaninoff. He was very well received.

A number of encores completed the program.

William P. Hogan, chief engineer of the Illinois School for the Deaf, died suddenly at 7 p.m. Thursday when he was stricken while teaching a class for engineers at the Illinois State hospital. He was 63 years old.

Mr. Hogan had been employed by the State of Illinois for the past 36 years. He came here from the Alton State hospital in 1941.

He had been ill last spring, but had recovered sufficiently to return to his assignment of chief engineer. He was born in Golconda, Ill., on July 21, 1885, a son of John and Mary Hogan.

Survivors include his wife and two sons, Francis of Alton and Paul of Jacksonville. He also leaves two sisters. They reside in Golconda. The remains were taken to the Reary Funeral home. Funeral arrangements have not been completed.

Glasgow Supper Honors Silver Wedding Date

Glasgow—A large group of relatives and friends remembered Mr. and Mrs. Harry Young on their silver wedding anniversary Thursday. A pot-luck supper that evening served in the Baptist church basement, last evening.

Mr. and Mrs. Young received a number of gifts and cards during the day and that evening. Among the presents was a silver brooch presented Mrs. Young by the old members of her Sunday school class, the Live Wires, a young people's group, which she was teaching in the Glasgow Baptist Sunday school at the time of her marriage 25 years ago.

WIFE SUES ROBERT WALKER FOR DIVORCE

Los Angeles, Oct. 7.—Barbara Ford complained today she was the kissless bride of Actor Robert Walker.

The pretty daughter of Film Director John Ford filed an amended complaint for annulment or divorce, alleging Walker obtained her consent to marry by fraud.

"He had no intention to consummate our marriage," she declared. "He married me only for convenience and without the intent to perform the obligations of a husband or be more than a husband in form."

## Student Rally Opens Festivities At High School

A large bonfire and snake dance opened Jacksonville high school homecoming festivities last night. The program of events continues today with a pep meeting, a parade, the football game against Rushville and a dance.

For 45 minutes Thursday night streets in the business district and immediate proximity were crowded with high school youngsters chanting "Go J.Ville, beat 'Rushville" as they wound through the city in their traditional snake dance.

The chain of boys and girls started at the high school athletic field following a rally around the brilliant fire. It ended in the center of Central park an hour later with another session of yells and school songs.

All will return to normalcy this morning, but when the students return to school after noon they will hold a pep meeting in the J.H.S. auditorium.

The parade will form in front of the high school and will move toward the public square between 1:15 and 1:30 o'clock this afternoon. The football game, is scheduled for 8 p.m. on the gridiron in the north part of town.

Following the game the homecoming dance will be held in the David Prince gymnasium, with music by Boots Brennan and his orchestra. The final event will end at midnight and will be marked by the crowning of the queen.

## Woman Hurt When Hit By Auto At Chapin Thursday

Chapin—Mrs. Carl Anschicks of Chapin was painfully injured early Thursday afternoon when she was struck by an automobile driven by Edward Sibert, farmer residing south of Chapin.

Deputy Harry Timmons of the Morgan county sheriff's office said the accident occurred in the residential section of Chapin. Mr. Sibert was making a turn at an intersection and did not notice Mrs. Anschicks crossing the street. The right front fender knocked her to the ground.

She was brought to Passavant hospital by Russell Anderson of Chapin and placed under the care of Dr. A. C. Wolfe. The extent of her injuries has not been determined, but are not believed to be serious.

The Anschicks live in a trailer in the north part of Chapin. Mr. Anschicks is an employee of the C.I.P.S. at Meredosia.

Pittsfield Beats Greenfield Team 33-0 Thursday

Greenfield—Pittsfield took an early step toward the Illinois Valley conference championship here Thursday night, smothering the Greenfield eleven 33-0.

The victory may have been costly for the charges of Coach Glen Smith, however. Bob Kattelman, star Sauklee back, was carried from the field late in the second quarter with an ankle injury. The seriousness could not be determined immediately.

Greenfield's best offensive showings came at the first and last of the one-sided contest. Coach Don Luketich's aggregation mustered two first downs immediately after receiving the kickoff, but a fumble and a bad pass from center set them back. At the end of the tilt the host were on the Pittsfield 10-yard stripe.

Kattelman scored the visitors' first tally on a seven-yard run around left end on the Indians' first play from scrimmage. Kattelman kicked for the extra point. The touchdown followed a blocked punt.

In the second quarter Williams chucked 30 yards to Voshall for a touchdown after a steady drive from Pittsfield territory. The kick was no good. Later in the period Pittsfield blocked a Greenfield punt again, this time on the 10. Rhodes finally carried over on a plunge. Kattelman booted the extra point again.

Three passes set up a third-quarter marker, with Hubbard plunging three yards for the score. Williams passed to Voshall for the added point.

Pittsfield recovered a fumble on the Greenfield 38 in the fourth stanza. With Neibur and Collier sparking the drive, they moved to the 6, from where Collier plunged over center. A plunge for extra point was short.

Pittsfield racked up 11 first downs to 4 for the losers. The Sauklee lost 100 yards in penalties compared with Greenfield's 5.

By quarters: Pittsfield.....7 13 7 6—33 Officials: Geddes, Alton, referee; Heminger, Alton, umpire; Rhine, Betoito, head linesman.

## Residents Of Morgan, Cass And Scott Areas Will Ballot Saturday

Voters from sections of Morgan, Scott, and Cass counties will go to the polls Saturday afternoon to decide on a proposition which would set up a single unit school district for this area. Voting will be accomplished at 28 precincts in Morgan and Cass counties. The polls will open at noon and will close at 7 p.m.

The citizens will decide whether to accept the recommendations of the Morgan County School Survey Committee, which proposes a community unit school district to maintain grades one to 12 inclusive.

If approved, the proposed district would include all of Morgan county excepting those sections included in the Ashland district, No. 212, Waverly district, No. 6 and New Berlin district, No. 16. It would also take in those parts of Scott and Cass counties now included in the Arenzville-Concord-Chapin district, No. 27.

Effective Next Year The district would be administered by a board of education to be named in a special election. No more than three of the seven members could be elected from any one township. If Saturday's proposal is approved, the new board would assume control of all the schools in the district on July 1, 1949.

The Survey Committee operated under a special act of the legislature designed to promote school consolidations in Illinois. The Morgan county group began its work nearly three years ago. After many meetings throughout the area and conferences with state and University of Illinois education departments, the committee proposed the single unit district.

Many Advantages Claimed In its final report, the committee pointed out the following benefits as possible under the single board: greater flexibility, savings in transportation, coordinated programs, greater economy, more state aid, better records, more emphasis on grade schools, a single salary schedule and more effective administration.

Opponents of the measure say it does not in itself assure any benefits. The boards of education of two recent consolidations, Arenzville-Concord-Chapin and Alexander-Franklin, Nortonville, have gone on record as opposing the proposition.

Good Turnout Asked Pointing to the importance of the question, both advocates and opponents of the measure have asked for a good turnout of voters Saturday. Usually school elections do not attract a high percentage of those eligible to vote.

Volunteer judges and tellers have been named by Superintendent of Schools John Deem to conduct the 28 precincts Saturday. Precinct lines closely approximate city, village or town district limits. Maps showing the territory in each precinct have been prepared for the judges.

Precincts Listed The list of balloting places follows:

1. Jefferson school, first ward, Jacksonville.
2. Lafayette school, second ward, Jacksonville.
3. Franklin school, third ward, Jacksonville.
4. Washington school, fourth ward, Jacksonville.
